**MosHome 2024 statistics*

MosHome is International exhibition of consumer goods for house, garden, sports and leisure.

MosHome is a professional platform where manufacturers of a wide range of consumer products will be able to enter a new market or expand their sales, and buyers will be able to create an up-to-date product matrix that meets the demand of buyers.

The exhibition is held simultaneously with Russia's largest exhibition of building and finishing materials MosBuild, which gives participants additional opportunities to present their product to the maximum number of professional audiences on one site in just 4 days.

MosHome advertising opportunities will allow you to claim about yourself during the exhibition and long before it, to enhance the effect of participation.

Use the commercial potential of the exhibition to the maximum advantage to achieve high results.
